

Auto Express have tested various products in this months car care special and we are pleased to announce that we have come up trumps...

## In the Car Wax & Sealant Category our brand new Triplewax Diamond Camarba Liquid Wax was rated:

"Carnauba is the wax of choice for car-care producers, and this is it in its liquid form. Unlike paste versions, this means it proved one of the easiest to apply, with easy buffing. It also makes it one of the more cost effective options on test."

## - Triplewax Diamond -Liquid Carnauba Wax

Premium wax containing natural hard wax which is a nourishing formula that protects, polishes and brings back that showroom shine - wash after wash. Not only does it enhance gloss and depth of colour, but it also safely removes minor surface defects, smooths paintwork and offers ultimate protection.
